

How to:

When encountering an error when checking in, please follow the steps below:

**Error Checking In**

You cannot check into EWRS unless you are onsite. Please check in when you arrive at your office location.

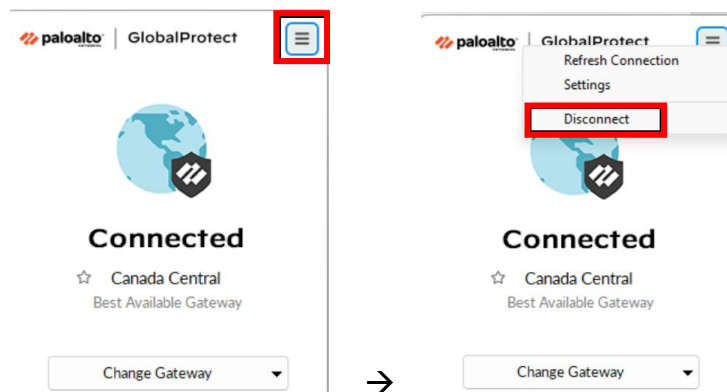

Step 1:

Click on the arrow to look for 'Global Protect'

Step 2:

Select Disconnect from the dropdown in Global Protect'

Step 3:

Return to EWRS to check-in, ensure that your Global Protect is disconnected when checking in into your workspace.
